2012 TJHA Service Project

The Texas Junior Hereford Association held their annual combined state show June 20–23, 2012 at the Bell County Expo Center in Belton, Texas.

Beginning in 1996 and for each year thereafter as part of their activities, the Texas Junior Hereford Association (TJHA) membership chooses a community service activity that supports a local event or need in the area which they visit. The event is planned by the juniors to provide a super leadership opportunity and responsibility, but guided closely by a group of adult advisors.

This year, the juniors collected canned meat items such as tuna, ravioli, meat soups, beef stew and boxed meat meals to benefit the Fort Hood Army Relief Food Bank. ★

Dear Texas Hereford Assn.,

Thank you so much for your generous contribution to help feed the Texas families at the Junior National Hereford Expo held in Grand Island, NE.

We were able to provide six lunches during the week. It is so helpful to the families to not have to leave the barn during the busy week. Texas really had a successful JNHE this year winning in the show ring, contests and scholarships. Your support is very much appreciated

Harrison Smith, Scott Chachere and Texas Junior Hereford Association ★

2012-13 National Junior Hereford Association board of directors (pictured, l to r) are: Tamar Adcock, Assumption, Ill., chairman; Krissi McCurdy, Chatsworth, Ga., vice chairman; Jaime Hanson, Comfrey, Minn., communications chair; Shelby Rogers, Hamilton, Texas, fundraising chair; and Courtney Tribble, Puyallup, Wash. Directors (standing, l to r) are: Jason May, East Randolph, Minn.; Brady Jensen, Courtland, Kan.; Austin Buzanowski, Pompeys Pillar, Mont.; Keysto Stotz, Skiatook, Okla., membership chair; Matt Woolfolk, Columbia, Tenn.; Kristin Bielema, Grand Rapids, Mich.; and Elise Hackett, Tuscola, Ill.

New National Junior Hereford Board Members, Officers Elected

The election of four new junior Hereford members to the National Junior Hereford Association Board of Directors was made, along with announcement of the junior Board officer team for the next year at the JNHE. Kristin Bielema, Elise Hackett, Brady Jensen and Jason May received their maroon jackets as new NJHA directors during the awards ceremony July 7. ★

Fall Gold TPR Breeders Announced

Eighteen dedicated Hereford breeders achieved Gold TPR (Total Performance Records) status for fall 2012.

Texas breeders include: Kinnear Polled Herefords of Joshua and P&J Polled Herefords of LaVernia. ★

Auxiliary Director Correction

2012 June-July Texas Hereford Herd bull directory listed an incorrect name for Auxiliary director's term that expires in 2015. The correct director is Ilissa Nolan of Gilmer instead of Alise Nolan, Gilmer. ★

Daniel Bowling

Daniel Bowling passed away May 17, 2012, at his home in Blackwell.

Mr. Bowling was born May 16, 1913 in Kremlin to Levi and Flora (McSwain) Bowling. Daniel was the second of seven children and grew up in the Jefferson/Grant County area. He graduated from Jefferson High School in 1931. Dan lived, farmed, and raised Hereford cattle with a passion, the majority of his working years in the Jefferson/Pond Creek communities.

Dan was self-employed all his life following his farming apprenticeship with his father Levi and his service to his country.

Mr. Bowling was a member of the Texas Hereford Association. In 2004, Dan Bowling and Bowling Herefords were recognized by the American Hereford Association for being in the Hereford cattle business for over 80 years. In 2007, Dan was inducted into the Oklahoma Hereford Association Hall of Fame.

Survivors include Dan's wife Nancy Kraus Bowling, of the home in Blackwell; Carla Kay Bowling Johnson of Blackwell; Sue Eggers Poor of Anthony, Kansas; Deborah Bowling Hetrick of OKC; Pam Bowling Goochey of OKC; Danny Bowling of Tonkawa; Donnie Bowling of North Carolina; Henry Eggers of Yates Center, Kansas; and Roger Eggers of Ozawie, Kansas. Dan was preceded in death by his first wife Eloise Young Dodson Bowling. ★

Here we go again enduring what some call the “Dog Days of Summer” from the oppressive Texas heat that started in July and is forecast to last through most of August. Let us hope that September will be the end of this unbearable hot and dry year and mark the beginning of a new school and show season. This issue covers the annual TJHA-TJPHA State Show and field day. It was another huge success

and each year just seems to just get bigger and better. Many thanks are due to all the juniors and adults who contributed to the event.

We are proud of the June/July issue we were able to assemble. Thanks to all advertisers. Hereford demand seems to keep growing. By the number of calls and private sale results, we should have a fantastic fall sale season.

Our web site continues to be very

active in getting sale results. I am most pleased to hear from those of you who call to tell me the cattle are sold. I encourage more members to avail themselves of this service. More cattle listings will only draw more parties looking to buy. Success breeds success. We do ask that you keep the listings current and especially let us know when the cattle are sold. But for now, keep the information coming.

The THA is involved in a lot of activities and the next few weeks are when a number of these events will take place. We co-sponsor a booth at the annual Beef Cattle Short Course in College Station with TPHA. I am excited to hear from a number of members who have never attended the BCSC that plan to attend the 2012 event. I look forward to this event every year because of all the interesting new people I have the opportunity to meet and learn from. The program is also very timely and beneficial to anyone involved with cattle.

I remind members that bull and female entries are due now for our Fall Classic sale in Buffalo as well as the Cowtown Select Sale and the 44th Annual Whiteface Replacement female sale. Remember the Whiteface Replacement sale can accept black baldie heifers and we really need to increase our numbers in this division in order to continue to offer this class. Please help us gather a quality offering. If you do not have heifers, encourage a customer or neighbor to consign a pen or two. A successful sale is a good reflection for everyone involved in the Hereford industry.

Regarding sales, the executive committee voted recently to discontinue the “Hats Off to Herefords” sale at Morgan in May and concentrate on building a futurity heifer only sale to be held on April 27, 2013. Anyone interested in consigning should contact Jack Chastain.

There are many shows, sales and other promotional events coming in the next few months. I encourage THA members to attend all that you can and promote your Hereford breed every chance you get. ★

The Texas Hereford Association is also actively engaged in the promotion of Texas Herefords and in sponsoring seminars, field days, and other events to encourage educational opportunities for members.

This Directory is used by thousands of Hereford breeders the year round. Information pertaining to your herd such as herd sires, bloodlines, location of farm or ranch, telephone numbers, etc., will be listed in this widely used reference book. This herd listing alone is worth the price of membership. Associate members are also listed.

THE TEXAS HEREFORD – Monthly publication of the Texas Hereford Association. It is the only publication in Texas devoted solely to Herefords. It includes news about the association, news about Herefords, and timely editorial features. Active members can list Herefords for sale **FREE** in the Herefords For Sale column. This service has been responsible for selling thousands of Texas Herefords all over the nation. Texas Hereford Association members may advertise in *The Texas Hereford* at low livestock rates – a considerable savings for your marketing program. Is **Marbling** a good choice?

Straight Desert★Mart Hereford Steers • Averaged \$28 Premium/Head

The B★H★P★ SALE - November 15, 2012

One of the most ignored traits in many Hereford operations is the highly heritable trait of marbling ability. Several of those that hold to this mindset will defend their stance with statements such as, "*marbling ability doesn't pay you very much!*" To the contrary, it has been our observation over decades of intense study and selection of real "production" cattle that marbling ability is a huge asset to concentrate. Here are some reasons why:

- Marbling cattle tend to be the most maternal. The best marbling breeds and individuals within breeds just seem to calve easier, milk better, mother better and stay longer.
- Marbling cattle tend to be the most efficient. Breeds of cattle popular years ago were not the most efficient because they cost too much to feed to an acceptable quality grade... and look at the price of feed today!
- Marbling cattle tend to provide the most options. Single trait selection is always a huge risk. Therefore, blending marbling ability in a structured way with all the other essential profit-traits sets the stage for the best opportunity for success.
- Marbling cattle with the most dependability and genetic "punch" are available now at Desert★Mart! Check out our unparalleled record of excellence in both areas of range and feedlot performance. Then, join us this **NOVEMBER 15** to make our best your choice!
