## Dear Friends,

I am so very honored to have been selected as an Honorary Member of the Texas Hereford Association.

Our Texas folks, associations, and cattle have always been very special to me and supporting and promoting them has always been such fun!

Thank you for thinking of me for this distinguished award. I am truly blessed.

*Always,  
Ann Guess*

## Dear Jack and Texas Hereford Association,

Bob and I are so grateful to you and the Texas Hereford Association for all you did for us during the Stock Show.

The table at the cocktail party was so well done and was terribly apparent that you had done so much work on it.

The whole family was there and everyone was so appreciative of your work.

We felt very honored and humbled to have received the award and we thank you.

We are always aware of the work you do for the Hereford breed and are so grateful to have you there.

*Our sincere thanks,  
Bob and Lynda McKnight*

What a time to be in the Hereford business. THA had another great year for Herefords at the Fort Worth Stock Show. We had great attendance at our annual membership meeting and social, more cattle at our National Hereford Show than last year, and highly respectful sales for both the Cowtown Select and Replacement heifer sales. Many thanks to everyone who showed, consigned, purchased, sponsored or attended this year. It truly takes everyone to make a successful event. Our highest placing heifer scholarship donors made \$7,500.00

available this year and we split it into two scholarships. These donors have pledged to do the same next year. The THA Foundation awarded a \$1000 scholarship and sponsored premiums for the Hereford steer show. Remember we will sponsor our 46th Annual Replacement Whiteface Female sale next year. Now is the time to select and save a pen of ten for the sale which will be held on Sunday, February 1, 2015. We are planning a few new things for this milestone event and invite some help with sponsorships to fund the projects.

We had a huge success with a few unique opportunities for members to help themselves and THA. These activities have helped THA establish itself to a sound financial position. We still are operating under a bare essential budget which eliminated any non essential expenses as well as a restricted travel budget. We deeply thank the generous donors and buyers who made such an impact on our finances. I especially wish to thank the donors of the Heritage pen and to everyone who participated in the purchase and donation back to be resold.

The Hereford breed was given some tremendous exposure in the Chevrolet ad that first aired in the first quarter of the Super Bowl on February 2. I think Dickie Garrison, Gamma Ranches of Red Rock, Texas (between Bastrop and Lockhart) deserves recognition for furnishing both the red eyed Hereford bull and the cows that were used in the commercial. If you watch the commercial close enough, you will note that a different Hereford bull was in the trailer at one time. Weinheimer Ranches of Stonewall furnished two bulls that were used in the filming of the commercial. The red eyed bull is registered as MH 7023 Predator X40 and sired by C&M Bounty Hunter 7023 and out of a Hidden Oaks Ranch bred cow sired by KCF Bennett 3008 M326. Morgan Herefords of Giddings and Andrews bred the bull and sold him to Dickie Garrison. Dickie told me they filmed for four days and hauled the cattle from Bastrop to Bartlett as well as on Congress Avenue in Austin. He informed me that some of the film was shot on the McCall Ranch at Bastrop and that the bull stepped out of the trailer at the Capital Livestock barn in Bartlett. Many thanks to Chevrolet and all the people who helped make this commercial.

It is not too early to be preparing consignments to our October sale in Buffalo. We need seventy-five of as good of Hereford bulls as we can find as well as a number of registered and commercial females. We particularly need some baldie and F1 heifers or cows. We will also be selling Red Angus bulls. Now is also time to get cattle picked for our Replacement heifer and Cowtown Select Sale for 2015

All cattle owners will soon be getting information on adding another dollar to the Beef Check-Off. I encourage all Hereford breeders to support this effort and vote in favor of the proposal.

Please help us by updating and returning your herd listing forms with current addresses, phone numbers as well as your herd information. You may not think it is important, but current information may make the difference of making a sale or not. ★

- 27 Open Hereford Heifers
- 15 Fall Calving Cows
- 4 Black Baldie Open Heifers

✓ **Central Location.** With the *geographical center of Texas* only 13 miles away, we're close to everyone.

✓ **Guarantee.** We absolutely guarantee our cattle. If you are not completely satisfied, we will make it right!

✓ **Strategic Planning.** We aren't afraid to spend big bucks when we spot an industry changer. Our bold move several years ago to purchase IMR Patriot 3113 3ET has allowed us to move our cowherd to the forefront of the industry. His daughters are truly impressive with beautiful udders, feminine profiles, and the ability to wean heavy calves under severe drought conditions. 3113's EPD numbers continue to climb when other bulls' numbers often decline as daughters enter production. We've shared a few of his females in previous sales and they are always crowd favorites.

Dear Friends and Cattlepeople,

The MW Hereford Ranch is pleased to announce plans for our 29th Annual Production Sale to be held on **Saturday, April 12, 2014** at the ranch, located seventeen miles south of Brownwood, Texas on FM 45, just south of the Colorado River.

We would like to take this opportunity to thank all of our friends and buyers from previous years that continue to make this sale possible. Our confidence in the Cattle Industry and the Hereford Breed in particular remains strong. We look forward to a great sale with at least a dent in the drought this winter and prospects are pretty good for a bluebonnet spring.

We will have **53 highly selected herd sire prospects and range bulls** this year. These modern, rugged, range-raised, performance and fertility tested bulls have really balanced EPD numbers. They represent the **best of the Hereford breed** and are ready to go to work. We have been pleased with the looks and performance data of our new herd sires and will offer a large number of their offspring in the sale.

We will offer **27 twelve-fifteen month old open registered, horned heifers ready to breed** with excellent EPD numbers. We feel their blood lines represent the best of the Hereford industry today and many could become future Dams of Distinction.

In addition, we will also have **4 open black baldie heifers, twelve-fifteen months old.** We will also offer **15 fall calving heifers and young cows** bred to a number of our top herd sires.

As usual on Sale Day, we will have the cattle on display by 10:00 am, with lunch at 12:00 and the Sale beginning promptly at 1:00 pm. As always, **we absolutely guarantee our cattle.** If you are not completely satisfied, we will make it right. We will be glad to assist you with delivery.

Please contact any member of the family for further information and details. Our catalogs will be available by late February. We look forward to seeing you at the Sale.
