## New Junior Hereford Board Members, Officers Elected

Four National Junior Hereford Association (NJHA) members were elected to the NJHA board of directors at the 2017 VitaFerm® Junior National Hereford Expo (JNHE) July 15-21 in Louisville, KY.

Rylee Barber, Channing, TX; Brandt Downing, Culver, OR; Taylor Belle Matheny, Mays Lick, KY; and Hannah Williams, Kearney, NE, received their maroon jackets as new NJHA directors during the JNHE awards ceremony on July 19. Two delegates from each state junior Hereford association voted for the individuals they wanted to represent the membership. The NJHA board is comprised of 12 individuals who serve three-year terms and govern the 3,000-member organization.

The 2017-18 officer team includes chairman Steven Green, Munfordville, KY; vice-chairman Brooke Jensen, Courtland, KS; communications

chair Bailey McKay, Marysville, KS; leadership chair Brooke Hinojosa-Sidwell, Carr, CO; fundraising chair Mason Blinson, Buies Creek, NC; and membership chair Austin Matheny, Mays Lick, KY. Also serving, as directors are Nathan Hopkins, Winchester, TN, and Bailey Jones, Darlington, WI.

Rylee Barber is the 19-year-old daughter of Brett Barber, Channing, TX, and Nicole Barber, Mason City, IL. She is a sophomore at Texas A&M University majoring in agricultural communications and journalism. She has been a member of the Texas Junior Hereford Association for 12 years, serving as the 2015 TJHA president. Rylee's main goal is to make every member feel included by encouraging them to be involved. She hopes to increase communication between the board and the junior members, while also advocating for the agriculture industry. ★

**WOW!** What a summer 2017 has proven to be. First, my health issues and surgery, which has been text book perfect in the procedure, recovery and the rehab program. Then what a month August has proven to be with significant rain covering much of the state dispersed between days of near record heat. As I write this everything is focused on a

storm named Harvey bearing down on a huge portion of south and southeast Texas. I have faith our THA members will do their share in offering help to the people affected by this event.

I wish to thank AHA President Terri Barber for asking Lyn and me to help her in hosting the annual AHA summer board meeting held recently in Amarillo. It was indeed a great opportunity

for THA to visit and assist in transportation with the board, staff and spouses who attended. Terri and Marianne Ward planned a very entertaining event while the board met for their business sessions and Barber Ranch and Circle H Ranch Headquarters were hosts for tours of their business.

This issue includes ads for most of our fall sales. These sales and the many private treaty cattle available and listed on our "Cattle for Sale" page are a tribute to the breeders and their cattle who have weathered the harsh summer heat to keep these genetics available for breeding stock. Please avail yourself to the opportunities to upgrade your breeding programs. Our Hereford breed offers many traits needed to be successful and profitable in these new and trying times.

I congratulate all of our Texas juniors for their participation and winnings at JNHE. You make us proud. Read the results elsewhere in this issue.

THA has been active this past month promoting Herefords at the 62nd annual Beef Cattle Short Course in College Station, a Rancher's Round-up in Decatur and the Ranch Rodeo in Wichita Falls. We had a lot of activity in all three events. We have plans to attend a few more of these events in the next few months. If a member notifies us of one of these events in his area, we will make an effort to attend.

THA will co-sponsor our seventh annual Fall Classic consignment sale in partnership with the Buffalo Livestock Auction and have again invited a few Red Angus breeders to participate. We appreciate the interest and consignments from our members in this venture as well as the cooperation from the owners of Buffalo Livestock. We hope to see many of you at this sale on October 18. A successful sale is a reflection for everyone involved in the

## 16th Annual Fall Female Sale

Numerous Select Lots by 5280 sell!

Sat., October 7, 2017

5 p.m. MST ~ at the ranch Bruneau, Idaho

**80 Lots Sell!**

Open Heifer Calves, Bred Heifers, Embryos,  
Semen, Proven Donors, and pick of fall 2017 calves.

His first set of calves grossed over \$900,000 in sales last year and produced the National Champion Polled Bull — Denver 2017. Rarely does a breeding bull like this come along. He has another great set of calves on the ground.

### Lot 24 - C 88X 5280 LADY 6074

One of the very best bred heifers we have ever sold. She is a daughter of "4129" who was chosen by Bowling Ranch from 2016 fall sale pick. 6074 is powerful made, bold ribbed female who has sharpened up in her look enough we think she will be very competitive in the showing. Next generation type genetics and we feel this female has all the credentials to be one of the next great donors. Selling 1/2 embryo interest.

**Special attraction at our fall sale!**

Your opportunity to pick. Selling 1/2 interest in any two of our donor cows on the ranch.

C 88X NOTICE ME 1311 ET

C 88X RIBEYE LADY 2052

C 105Y LADY DOMINO 4038

### Lot 6 - C 5280 1311 LASS 7086 ET

Flush mates to these females made a huge impression on Hereford breeders and went on to do things in the showing and sales that were unheard of. It would be impossible to list all of the accomplishments in one footnote. Last year's flush averaged over \$32,000 on 16 head of calves. Eight bull calves averaged over \$48,000 and landed in the hands of some of the most elite Hereford herds in the country. Six females averaged \$23,750. We are excited to offer you three more flush sisters in this year's sale.

### Lot 7 - C 5280 LASS 7025 ET

This is a massive ribbed, powerful, horned prospect out of the young donor "4038" who was "1311's" first natural calf. "7025" is a 3/4 sister to lots 5, 6, and 7 and the big flush from last year. She is the only female from this flush and two brothers that will likely be Denver pen bulls. We feel she is one of the top females in this auction. She has the look and power in a proven genetic package.

### Lot 3 - C BARI CANDYLAND 7014 ET

We will begin this year's sale offering with one of the most exciting individuals we have raised. This "Wildcat" daughter by the three time National Champion female "Candy Cane" is something special and she has been since day one. She is a carbon copy of her mother with the look and style to be a serious threat in the showing for the next two years. However this one has an EPD profile to be an elite donor very soon. Lots of performance with a milk EPD in the top 1% of the breed and a +34 SCHB.

### Lot 12 - C 5280 KATIE 7250 ET

Sister to a couple of last year's high selling females that went to Trent Ray and Castles. As bred heifers they will be very competitive in this year's shows. These females have been very consistent in their look and kind. Both of these females are made very similar with lots of muscle shape and width. Their mother "2211" is also a wide structured female with as much red and pigment possible. A brother to these females will likely be a Denver pen bull this year. Full sister sells as lot 13.

Precious and curious, three-year-old Adalee steps up and over mats and gets a puzzle board as she receives physical and occupational therapy at West Texas Rehabilitation Center. Daughter of Sterling City ranchers Will and Jessica Foster, the youngster works hard according to her therapists, to improve her balance and trunk muscles as well as enhance her fine motor skills.

Due to Adalee’s developmental delay, her family sought out the Rehab Center two years ago. Adalee’s family contacted their Pediatrician at six months when they noticed she wasn’t on track for her age. Jessica says, “Rehab has been an answer to our prayers as Addie continues to make such progress. They are her best fan club.”

Though there is still work ahead, Adalee continues to grow and improve. She now uses small ankle braces to add stability to her movements as she becomes more independent. Also, she receives speech therapy to help her become more verbal and social. “Rehab has been a blessing to our family,” says Jessica.

You can help support patients like Adalee by donating cash or animals to the Round-Up for Rehab campaign. Arrangements for hauling donated animals can be made through local volunteers or by calling WTRC at 325-793-3507 or 325-223-6364. Information about Rehab Center services is available at [WestTexasRehab.org](http://WestTexasRehab.org). ★

Horn fly season is winding down, but a “do nothing” approach could give flies a head start on next season. Keep Altosid® IGR in your feed supplement until 30 days after the first frost to prevent overwintering. Bring your horn fly program full circle for higher production and better protection.

# Application for Membership in the Texas Hereford Association

## Advantages of THA Membership

**SERVICE** – The Texas Hereford Association is a service organization to benefit the Hereford breed and the breeder.

Members are assisted in buying and selling cattle at private treaty and by auction.

The Texas Hereford Association sponsors the Commercial Hereford Heifer Show and Sale and the Cowtown Select Sale and the THA Fall Classic. These sales promote the use of better Hereford bulls and females. The Texas Hereford Association is also actively engaged in the promotion of Texas Herefords and in sponsoring seminars, field days, and other events to encourage educational opportunities for members.

**ASSOCIATION** – The Texas Hereford Association was organized in 1899. Its membership has included the elite of the Texas Hereford industry since its inception. Membership dues are \$125.00 per year. Associate memberships are available for \$100.00 per year.

**DIRECTORY ISSUE** – Every active member of the Texas Hereford Association has a free listing in the Directory issue of *The Texas Hereford*. This Directory is used by thousands of Hereford breeders the year round. Information pertaining to your herd such as herd sires, bloodlines, location of farm or ranch, telephone numbers, etc., will be listed in this widely used reference book. This herd listing alone is worth the price of membership. Associate members are also listed.

**THE TEXAS HEREFORD** – Monthly publication of the Texas Hereford Association. It is the only publication in Texas devoted solely to Herefords. It includes news about the association, news about Herefords and timely editorial features. Active members can list Herefords for sale **FREE** in the Cattle For Sale column. This service has been responsible for selling thousands of Texas Herefords all over the nation. Texas Hereford Association members may advertise in *The Texas Hereford* at low livestock rates – a considerable savings for your marketing program. Sale catalogs, brochures, flyers, and other marketing aids designed are produced by our professional staff at considerable savings. (Advertising rates will be sent on request).

**The Most Important Investment  
You Can Make as a  
Registered Hereford Breeder  
is a membership in the  
Texas Hereford Association.**

## tailgateTALK

continued from page 6

Texas Hereford industry.

THA is assisting the San Antonio Stock Show with a project to expand their open Hereford show. They plan to offer 3 scholarships to the 3 high placing juniors who exhibit at the 2018 open Hereford show. Livestock manager Brady Ragland has seen how this has worked in Fort Worth and wants to see it work in San Antonio. Their plan is to offer a total of \$3,000 with \$1,500 to high placing heifer, \$1,000 to second high and \$500 to third high placing. Money will be paid directly to college when winner is enrolled.

Entries are now due for both the 49th annual Whiteface replacement female sale and the Cowtown Invitational sale. Hereford cattle will again be stalled in of the Moncrief building. We plan to limit the consignments in the Cowtown Invitational Sale and plan to have a better display of sale cattle during the show. We hope to expand our advertising and are working on involving some sponsors to offset sale expense. I thank you in advance for your early response to entry deadlines. ★
